#### ABOUT PITCHDROP

Pitchdrop is a six-piece Connecticut cover band with dual male and female lead vocals — which means we can go from a Journey singalong to a Whitney Houston moment without losing a single person on the floor. We play rock anthems, soul classics, funk, and dance hits, and we build every set to keep energy moving from the first song to the last dance. No filler. No dead spots. Just a room full of people who didn't want the night to end.

We handle our own sound, work cleanly alongside your planner and venue staff, and give you one point of contact from the first call to the last song. **You're not hiring a playlist. You're hiring a show.**
